Comprehensive Care
for Our Community

SPECIALTY PROVIDERS

When you or someone in your family needs the care of a skilled provider to get well, to get back to an active life, or to provide guidance on how to stay healthy, you can turn to us with confidence. The Jackson Clinic offers comprehensive care from providers who are dedicated to your good health. Our family of primary care physicians and specialists is focused on helping the people of our community enjoy their best health. We provide a full range of care that includes the following:

- Audiology
- Cardiology
- Cardiothoracic Surgery
- Electrophysiology
- Endocrinology
- Facial Plastic and Reconstructive Surgery
- Family Medicine
- Gastroenterology
- General Surgery
- Hyperbaric Medicine and Wound Care
- Infectious Diseases
- Internal Medicine
- Neurology
- OB/GYN
- Occupational Medicine
- Otolaryngology
- Podiatry
- Pediatrics
- Rheumatology
- Urogynecology
- Urology
- Vascular Surgery

PRIMARY CARE PROVIDERS

Having a primary care provider who will get to know you and your unique health needs is one of the best things you can do for your long-term health.

HOSPITALISTS

If you don't have a primary care physician, a hospitalist from The Jackson Clinic will care for you when you are an inpatient at Jackson Hospital.
